Summary

Frontend Developer | HTML5 | CSS3 | JavaScript | React | PWA | Git

Highly skilled frontend developer with 2 years of experience at BCDApps. Proficient in HTML5, CSS3, SCSS/LESS, and experienced in using frameworks like Bootstrap5 and Tailwind CSS. Strong knowledge of JavaScript and mobile responsive design principles. Currently expanding expertise in React. Well-versed in creating Progressive Web Apps (PWAs) for enhanced user experiences. Proficient in Git and GitHub for version control and collaborative development.

Passionate about crafting visually stunning and functional web applications, I thrive in dynamic environments where I can leverage my skills to deliver exceptional user experiences. Let's connect and discuss how I can contribute to your next project.
